

# Passport Check @ Home

We no longer offer Re-Check day at school. If your child missed the Check Point and wants to make it up, they may be checked at home. Please quiz your child, using the **BLANK** map and ask them to show you the countries of the month. Please write in the names of the countries your child has identified, sign the space provided and let them **bring it to the next Check Point day** (last Monday of the month) in order to receive their stamps.

Some tips:

- To check your child, say (for example): “Show me Spain”. They should be able to point to the right location on the blank map without help from you. Then say “Show me Russia” etc.
- It’s important to go sequentially as the levels are cumulative. Do Level 1 first, then Level 2, then 3 etc. Students may miss one country in Levels 1–3 and still “pass”. They may miss a total of 2 countries on Level 4/5 and still pass Level 4 or 5.
