

Nurturing Global Citizenship
Through Language
and Culture

HOLA! NI HAO!
KONNICHAWA! BONJOUR!
GUTEN TAG!

Sponge classes are designed to instill a love of language and culture. Teachers use the immersion approach, with lots of movement, games, music, props and gestures that allow everyone to join in the fun.

Young learners are **primed for language learning** - research shows that students are 70% more likely to gain fluency when they begin in elementary school or younger.

Make language and culture a part of your child's life and watch them embrace a new world!
